Re: S.N. 09/741,254

Title: ACRYLIC ELASTOMER AND ITS COMPOSITION

Your Ref.: 121036-007

Our Case : C-547

Dear Mr. Gyzbowski,

Thank you for your letter of June 27, 2003 enclosing a communication from the Examiner in charge of the application identified above.

Our client wishes to prosecute current process claims 1, 2, 6 and 7. And at the same time our client wishes to prosecute current claims 3 to 5 which directs to the composition.

Therefore would you please file two divisional applications. One application should include the current process claims 1, 2, 6 and 7 and another application should include the current composition claims 3 to 5.

Our client agreed to cancellation of original claims 1 and 2.

In addition, would you please correct the errors we pointed out in our previous letter of June 18, 2003.

Thanking you for your cooperation, we look forward to your further news.

Very truly yours,

*T. Yoshida*
